

ACTION - ACTION - ACTION

You now know about the plan to undermine our nation--- What do you do with it? What is your Responsibility?

1. We need to declare this Nation as belonging to the God of The Bible according to our founding documents.
2. We need to declare where our rights as a Citizen come from.
3. We need to declare that we will not accept the Establishment of a specific religion as our national religion. We will no longer accept **Atheistic Secular Humanism** to be established in our schools, workplaces, culture and we need to take back the laws.
4. We will acknowledge that the **Religion of Secular Humanism** has been well established in our Nation as a religion but now it is time for **OUR FOUNDERS ROOTS TO BE REESTABLISHED, AND PROCLAIM THAT THIS NATION IS A NATION UNDER THE God of the Bible**. All of the various religions that worship, pray to, honor and acknowledge the God of The Book are separate distinct religions. It is time that The God of the Bible comes back into the schools, the culture and into public life and be protected by the Laws of this country.

Public talking points are powerful and must be used by each of you. Think of how quickly the term CRT (Critical Race Theory) came into the public lexicon. We hear that term everywhere. It is time that we hear the following talking point:

“We must no longer give our public schools and culture over to the Established religion of Secular Humanists. We acknowledge two systems growing side by side and the Theists who believe in a Prayer-hearing creator of the universe and who represent the citizens of the founding documents will no longer be silenced.

Here are some important talking points:

1. The Religion of Secular Humanism has been **INTOLERANT**. They must become **tolerant of Theists**.
2. The Religion of Secular Humanism has been a bully to every other spiritual persuasion, **they must stop bullying Americans**.
3. Public schools must allow a **choice to every parent** and every student to allow their Child to attend a founder’s school with values representative of those of our constitution or an Atheist secular Humanist philosophy and curriculum.
4. Any school system that does not offer both courses for parents to choose, will no longer receive taxpayer funding.
5. The Content of the schools is preliminarily set out in **The Blueprint for 2 Americas**.
6. Run for and take over school boards and encourage the building of traditional schools in your community.
